## Questions

---

### 1. Getting Started

---

#### 1.1. How to use these FAQs?

---

There is no particular order to these FAQs. Use your browser's "Find in this page" facility to search for keywords.

#### 1.2. What are the passwords?

```
Username: guest  
Password: guest
```

```
Username: root  
Password: root
```

Also, `guest` has been set up to do a lot of things through `sudo`. For example `guest` can:

```
sudo pacman -Syu
```

Check out `/etc/sudoers` to find out more.
